## IN MEMORY

BOB BETTS

1928 - 1998

**T**he 1999 Milwaukee Brewers Media Guide is dedicated to Bob Betts, who spent 23 seasons as the Milwaukee Brewers Public Address Announcer beginning in 1976. Bob passed away on November 23, 1998. He announced more than 1,600 Brewers games plus many American Legion All-Star Games, Milwaukee Brewers Youth League Games and Langsdorf League All-Star Games. He was known to everyone in the Wisconsin baseball community as the Voice of County Stadium.

Bob was born in Carroll, Iowa on April 30, 1928. He came to Milwaukee in 1964 from Iowa where he began his radio career. He was a radio personality at WOKY-AM and WEMP-AM in Milwaukee before taking over as the General Manager at WMSE-FM Radio, a job he held until September, 1994.

Bob was the voice of many great moments in Brewers history and baseball history. During his first year at the mic, Bob served as the PA announcer for Henry Aaron's last game. He was the voice of the 1982 World Series, Robin Yount's 3,000th career hit, Nolan Ryan's 300th career victory and Mark McGwire and Sammy Sosa's 64th and 65th home runs, just to mention a few.

With his distinguished style, fans always knew where they were when they heard Bob's voice. His gentle reminder to fans to "Please Drive Home Safely" became a mantra for all who attended games at County Stadium.

Bob is survived by his wife of 44 years, Rita; three children, daughter Julie and sons, Jim and John; and seven grandchildren.

# ROBIN YOUNT

## HALL OF FAME 1999

On January 5, 1999, the Baseball Writers Association of America elected Robin Yount, who spent 20 seasons in the Major Leagues, all with the Milwaukee Brewers, into Baseball's Hall of Fame.

Yount joined Baseball greats George Brett and Nolan Ryan as part of the largest class to be inducted into the Hall of Fame since 1991 when Rod Carew, Ferguson Jenkins and Gaylord Perry entered the Hall. It is the first time since the first election in 1936, that three players on the ballot for the first time were elected to the Hall in the same season. In 1936, Ty Cobb, Walter Johnson, Christy Mathewson, Babe Ruth and Honus Wagner were all in the first Hall of Fame Class.

Yount joins Henry Aaron, Don Sutton and Rollie Fingers as Brewers players to achieve baseball's highest honor. He will be the first to enter wearing a Brewers cap and is the youngest inductee since Johnny Bench went into the Hall at age 42 in 1989.

In his 20-year career, Yount recorded 3,142 hits and was the American League's Most Valuable Player in 1982 and 1989. In 1982, he earned the award as a shortstop while leading the Brewers to their lone World Series appearance.

In 1989, Yount earned his second MVP award while serving as the Brewers centerfielder. He became just the third player in Major League history to win MVP awards at two different positions joining baseball immortals Stan Musial and Hank Greenberg.

Yount broke into the big leagues in 1974 at the tender age of 18. He came into his own in 1977 when he batted .288 in 154 games for Milwaukee.

As a member of Bambi's Bombers (Manager George Bamberger's club), Yount had his first spectacular offensive season in 1980 when he set the club record with 49 doubles. He also hit 23 home runs and drove in 87.

In 1982, he led the Brewers to the American League Championship as he earned the MVP award with a .331 batting average, 29 home runs and 114 runs batted in. He led the American League with 46 doubles and 210 hits. He also batted .414 in the World Series against the St. Louis Cardinals. In 17 career post-season games, Yount had a .344 batting average.

In 1989, he batted .318 in 160 games as he belted 21 home runs and drove in 103. He also recorded his 2,500th hit at Yankee Stadium on July 2, 1989. He was selected as the Player of the Decade for the 1980's by **USA Today**.

Yount became the third youngest player in Major League history to record 3,000 hits when he singled off of Cleveland's Jose Mesa on September 9, 1992. He was just 36 years, 11 months and 24 days old when he accomplished the feat. The only players younger than Yount were Ty Cobb and Henry Aaron. Amazingly, Yount's 1,000th, 2,000th and 3,000th career hits all came against the Cleveland Indians.

Yount concluded his career in 1993 as the Brewers leader in nearly every offensive category. He was a three-time All-Star (1980, '82 and '83) and a Gold Glove winner in 1982.

He was originally drafted by the Brewers in the first round of the 1973 June Free Agent Draft and played just 64 games in the Minor Leagues with Newark that same year before beginning his trek to baseball immortality in 1974.

Robin and his wife, Michelle, have three daughters, Melisa, Amy and Jenna and a son, Dustin. They reside in Paradise Valley, Arizona.

## Wendy Selig-Prieb

### President and Chief Executive Officer

Wendy Selig-Prieb was named President and Chief Executive Officer of the Milwaukee Brewers on August 4, 1998 replacing her father, Allan H. (Bud) Selig, who was elected Commissioner of Major League Baseball that July. Selig-Prieb had assumed more responsibility for the club's day-to-day operations, including the design and development of Miller Park, since her father took over as Chairman of Baseball's Executive Council in September, 1992.

Selig-Prieb is committed to making Miller Park a fan-friendly, world-class ballpark and building a championship team for baseball fans across Wisconsin. Her vision and leadership will be essential to the Brewers success moving into the 21st century.

Selig-Prieb is the only female Chief Executive of a Major League Baseball Club, and at age 39, she is the second youngest club president and CEO behind Pittsburgh's Kevin McClatchy (36).

She was the first woman to represent Major League Baseball at the bargaining table when she joined management's 12-person negotiating committee for the collective bargaining negotiations with the Players Association in 1994 and 1995. She has served on numerous other committees for Baseball and has represented the Brewers at Major League meetings since 1992.

A lifelong Milwaukeean, Wendy is very active in the Milwaukee community. She is currently a Director of the Child Abuse Prevention (CAP) Fund, Junior Achievement and D.A.R.E. Wisconsin. She has served as the honorary chair for the March of Dimes WalkAmerica for the past two years. Wendy serves on United States Senator Herb Kohl's Advisory Committee on the Economic Status of Women and also on Governor Tommy Thompson's Glass Ceiling Commission. Wendy is on the Board of Directors of Guaranty Bank and is also a member of the Greater Milwaukee Committee.

In 1998, **Street and Smith's Sports Business Journal** named Selig-Prieb as the fourth most powerful woman in sports. She is a past finalist for the Women in Sports and Events (WISE) Woman of the Year Award. Selig-Prieb was also recognized by **The Business Journal** in 1992 in their "40 Under 40" profiles which identifies 40 people under the age of 40 who are making a difference in their organizations, industries, communities or professional spheres.

Wendy was born in Milwaukee on March 18, 1960. She graduated from University School in Milwaukee in 1978 and then moved on to Tufts University in Medford, Massachusetts, where she graduated magna cum laude in 1982 with a bachelor's degree in political science. Selig-Prieb began her baseball career in the Brewers broadcasting department in 1982 before becoming an Executive Trainee in the Baseball Commissioner's office for two years. After earning her Juris Doctor, magna cum laude from Marquette University in 1988, Selig-Prieb worked as a corporate attorney for Foley & Lardner, and then joined the Brewers as General Counsel in February of 1990.

Wendy is married to Laurel Prieb, the Brewers Vice President of Corporate Affairs. They have a daughter, Natalie, and reside in Whitefish Bay, Wisconsin.

As an organization, the Milwaukee Brewers success is dependent on community and fan support. At the same time, the Brewers are pleased to help support so many charities, educational groups, youth groups and other worthy causes. Through charitable and community events across the state the organization helps non-profit organizations raise hundreds of thousands of dollars each year.

## CHILD ABUSE PREVENTION (CAP) FUND

Children truly are our future. Unfortunately, young lives can be affected by the realities of a society that negatively impacts them. Out of concern for this issue, the Child Abuse Prevention (CAP) Fund was established in December, 1987 by Bud Selig, attorney, Thomas Bailey, and Children's Hospital of Wisconsin president, Jon Vice. Together, they shared a vision - to help end child abuse and its devastating effects.

The CAP Fund is the official charity of the Milwaukee Brewers and has granted more than two million dollars to more than 90 local agencies since its inception. Its' mission is to provide financial support to child abuse prevention programs; to educate the general public about child abuse prevention; and to encourage community action throughout the state of Wisconsin.

The CAP Fund's mission is to provide financial support to child abuse prevention programs; to educate the general public about child abuse prevention; and to encourage community action throughout the state of Wisconsin.

During the year, the CAP Fund receives thousands of dollars in proceeds from events held in conjunction with the ball club. The Safe at Home Picnic, held at County Stadium, features local celebrities and Brewers players as waiters and waitresses.

On-going support from the Brewers and several sponsors also helps to raise thousands of dollars though game related events like contributions for stolen bases and home runs hit.

## BREWERS WIVES

The Milwaukee Brewers players' wives have an important role in the team's community relations efforts. Their commitment has evolved into several special charity events. Each summer, the wives host the annual tailgate party for the Sojourner Truth House. This charity serves battered women and children and provides shelter for them.

In addition, the Brewers Wives' Auction benefits various charities, such as: the Child Abuse Prevention (CAP) Fund, Sojourner Truth House and Walker's Point Youth & Family Services. The auction is a popular event featuring autographed items, collectibles, and player appearances.

## TEAM CHARITIES

The Brewers are proud of their commitment to statewide and local charities. The club works with thousands of organizations providing monetary contributions, fund-raising assistance and in-kind donations.

## YOUTH AND EDUCATIONAL ACTIVITIES

The Milwaukee Brewers commitment to our youth extends beyond the field of play. As role models, the Brewers provide direction and stability through continual school, playground and hospital visits. This standard includes quality family entertainment, strong educational programs and scholarships, in addition to instructional opportunities at our baseball camps.

## BREWERS YOUTH BASEBALL CLINICS

Every summer hundreds of Little Leaguers gather at local parks to learn from and play with the Milwaukee Brewers. A summer tradition at area parks for 10 years, the camps offer young ballplayers the opportunity to play with and meet team members.

## **Brewers In The Community (Continued)**

Brewers players and coaches donate their time and energy to help our future big leaguers learn the finer points of baseball. The instruction is invaluable, with an emphasis on sportsmanship and goal-setting, as well as the proper techniques of hitting, pitching, fielding and base running.

Participating programs include the Beckum-Stapleton Little League, Milwaukee County Parks Recreation and Culture Department, the Boys' and Girls' Clubs of Greater Milwaukee, Felix Mantilla Little League & United Community Center and Boy Scouts of America.

## **BREWERS STAY IN SCHOOL DAY "STRIVE FOR EXCELLENCE"**

"Strive for Excellence" is a joint venture between the Milwaukee Brewers Baseball Club and Milwaukee Public Schools (MPS) designed to encourage and reward middle school aged students (grades six through eight) who strive for excellence in academics, attendance, and attitude. It is perceived that motivational and personal messages from individuals that students look up to, such as professional athletes, can be an important factor in efforts to encourage and reward students to reach their goals. The program has two major components that occur on two days -- a day visit to school by Brewers players/coaches/front office staff, and a school trip to the ballpark as a reward for students success.

## **STUDENT ACHIEVERS RECOGNIZED FOR ACADEMIC SUCCESS**

For the past ten years, the Lynde and Harry Bradley Foundation, in conjunction with the Milwaukee Brewers and the Milwaukee Journal Sentinel, have sponsored an incentive program for area students.

Students from eight counties in southeastern Wisconsin are eligible for four tickets to a Brewers game, a certificate and recognition in a special section of the Milwaukee Journal Sentinel. Students in the top six percent of their class in academic achievement and academic effort are rewarded. More than 20,000 students, grades 7-12, from approximately 500 schools are eligible for this program.

## **BREWERS YOUTH LEAGUE**

The Milwaukee Brewers, in conjunction with the Police Athletic League (P.A.L.), Milwaukee Public Schools (MPS), Holton Youth Center and the United Community Center (UCC), sponsor the Brewers Youth League - a group of 32 teams, all named after Brewers players.

The league, open to youngsters nine to twelve years old, offers an opportunity to meet Brewers players and the possibility of playing in the championship game at County Stadium.

P.A.L., MPS, Holton Youth Center and the UCC provide day-to-day supervision at the camps, which open the league each summer. All camps and regular season games are held at Milwaukee County Parks with the Brewers providing the league with equipment. More than 600 youngsters participate in the league each summer.

## **BREWERS LITTLE HITTERS LEAGUE**

In conjunction with the Boys and Girls Clubs in Wisconsin, the Brewers, in 1997, began a statewide baseball league for children between the ages of six and nine years of age. In its inaugural season, more than 1,800 children participated in an 11-game schedule with one practice and one game each week. In 1999, it is expected that there will be between 2,200-2,300 participants in the league from more than 30 Boys and Girls Clubs throughout the state.

## **BASEBALL CARNIVAL**

The Garden Homes School playground is the site for a fun-filled carnival for 2,500 area youth from the Milwaukee Recreation Department. Brewers players and front office personnel are on hand for fielding, hitting and pitching clinics. Autograph booths, carnival games and summertime food round out a great day of family entertainment.

## Brewers In The Community (Continued)

### HANK AARON CHASING THE DREAM FOUNDATION

The Hank Aaron Chasing The Dream Foundation provides financial assistance to underprivileged youth seeking to better themselves through education. Presentations are made annually at a special home plate ceremony featuring Hank Aaron. Funds are raised locally via various projects, including the Hank Aaron Golf tournament held each summer in the Milwaukee area. The Chasing The Dream foundation has its roots in Milwaukee from the end of Aaron's playing career in 1976. It's administered from Atlanta, Hank's current home, with proceeds utilized for youth in Atlanta and Milwaukee.

### BREWERS HOLIDAY CARD

Middle and High School students from Milwaukee area schools assist the Milwaukee Brewers in designing an annual holiday greeting card. The contest is held shortly after the season's end. All entries are judged by select MPS staff and Brewers front office staff. The finalist will receive a special Brewers VIP package while all runners up receive certificates and special autographed items.

### SPEAKERS BUREAU

A truly valuable service of the community relations department is the Milwaukee Brewers Speakers Bureau. Front office personnel speak at various events about a variety of baseball topics. Each year, the Speakers Bureau raises thousands of dollars for the CAP Fund.

### WINTER CARAVAN CROSSES THE STATE

Each January, players and front office staff brave the cold for a winter tour around the state. This road show, sponsored by Miller Brewing Company, is an opportunity to preview the upcoming season and introduce fans to their favorite players. This year the tour again sent four different groups across the state, reaching a record 27 new and old communities. Each stop involves a visit to a local school, a Boys and Girls Club, and a hospital or a dinner which benefits local causes in those communities. The Brewers Winter Caravan is one of the premier programs of its kind in the league.

### THANKSGIVING TURKEY GIVEAWAY

The Milwaukee Brewers teamed up with 1290 WMCS Radio to donate turkeys to Milwaukee families this Thanksgiving. A total of 330 turkeys were given away to community-based agencies and 1290 WMCS listeners. WMCS gave away turkeys in several on-air promotions as well as to local-based agencies in the Milwaukee area. The 10-12-pound turkeys went to five non-profit organizations. Career Youth Development, COA Youth and Family Centers, New Concept for Self Development Center, North Central YMCA and Walkers Point Youth and Family Center will all receive turkeys from the Brewers and WMCS.

# MILLER PARK

The Milwaukee Brewers state-of-the art new ballpark, Miller Park, is currently under construction just beyond the centerfield wall of Milwaukee County Stadium.

The one-of-a-kind convertible roof ballpark is scheduled to open in 2000 and will seat 43,000 fans. Construction began in October, 1996 and the official groundbreaking ceremony was held on November 9, 1996 in front of more than 15,000 fans.

The new facility is being funded by a 0.1% sales tax in a five county region including Milwaukee, Racine, Waukesha, Ozaukee and Washington counties as well as a \$90 million dollar contribution from the ballclub. The facility is named for the Miller Brewing Company which purchased the naming rights for 20 years.

Fans will be closer to the action than they have ever been before as the four-tiered structure will create an intense home advantage for the Brewers. There will be 70 suites in the ballpark including 20 Founders Club Suites located just 20 rows from the field.

Miller Park will feature many amenities for fans including a stadium club, a casual restaurant, hall of fame, children's areas and a beautiful color replay board just to name a few.

The ballpark will also feature a grass playing field and a fan-shaped roof, the first of its kind in North America. Movable panels beyond the outfield wall will give fans a breathtaking view of Milwaukee's skyline.

The roof structure will feature seven panels, five movable and two fixed. Each panel is the equivalent of the roof on top of the Bradley Center in downtown Milwaukee. The roof will be able to open or close within 10 minutes guaranteeing that every Brewers game will be played no matter what the weather conditions are outside.

Throughout the 1999 season, fans will be able to watch Miller Park grow every time they visit County Stadium. The roof structure of the ballpark will be erected to the point where Miller Park will shadow County Stadium.

Out in the parking lots, fans will be able to continue the Wisconsin tradition of tailgating, but in a much more pristine setting. Landscaping will be a prominent feature of Miller Park. Not only will fans feel like they are in a park inside the stadium, but they will feel like they are in one outside as well.

Visiting media wishing to tour what will be the finest ballpark in the world, are encouraged to contact the Brewers media relations department prior to coming to Milwaukee.

## "BRINGING DOWN THE HOUSE" 1953-1999

The site for County Stadium was officially selected on January 11, 1949, with the initial construction beginning on October 19, 1950. The stadium's original seating capacity of 28,111 permanent seats and 7,900 portable seats had a total capacity of 36,011 for the stadium's first event: an exhibition baseball game between the Milwaukee Braves and Boston Red Sox on April 6, 1953.

On October 6, 1953, the construction of additional permanent seating was approved, increasing the capacity to 43,394 for the 1954 baseball season. The outfield wall was constructed in 1961 and permanent bleachers were added in center field during the 1961 season. In 1962, the moving ramps were installed and in 1964, improvements for television and photographic facilities and the erection of temporary bleachers were completed, bringing the total number of bleacher seats to 10,591.

Additional improvements included a remodeled football press box in 1972; a new lighting system in 1973; additional seating (3,400) in 1974; a remodeled baseball press box in 1974; and additional seating (4,400) in 1975, bringing the capacity to the present 53,192.

In addition, the Milwaukee Brewers built a new electronic scoreboard in April, 1980 and an outdoor scoreboard in April, 1984, both of which were donated to Milwaukee County. The most recent addition occurred in 1986, when permanent cement bleachers were constructed.

There have been 61,589,742 fans that have come through the turnstiles at County Stadium to watch Milwaukee baseball in both the National League (1953-65, 98) and the American League (1970-1997). They have witnessed World Series games, an American League Pennant, a National League pennant, dramatic home runs, long home runs, long hitting streaks, great pitching performances and remarkable team efforts.

Others to call County Stadium home include the Chicago White Sox, the Green Bay Packers, The Rolling Stones, Pink Floyd, the Jehovah's Witnesses, Bob Hope and Lassie and The Lone Ranger (on the same bill) just to name a few.

County Stadium will be torn down when the Brewers move into their new convertible roof stadium in 2000 although a portion of the field will be kept as a memorial to the old ballpark. ## KEN CALIFANO

Director of Scouting

Califano, 45, is now in his seventh season as the Brewers scouting director and continues to amass quality talent in the Brewers Minor League system. He was named the Brewers Director of Scouting on October 7, 1992.

Califano is beginning his 19th season overall with the Brewers organization, having initially joined the club as an area scout in 1981, a position he held for nine seasons. He also held the position of National Crosschecker for pitchers in 1985. He was promoted to Northeast Supervisor in 1990 and has also been East Coast Supervisor in 1991 and East Coast Supervisor - Northern Region in 1992.

In his position as Director of Scouting, Califano is responsible for the researching, identifying and recommending of amateur players for the club through an effective scouting staff. He also assists in the drafting and signing of the college, junior college, high school, semi-pro and other amateur players for the organization, while scheduling the scouting staff to ensure that all prospects are observed and evaluated.

In 1998, the Brewers chose pitcher J.M. Gold from Toms River, New Jersey with the 13th choice in the draft. Gold was rated as the hardest throwing high school pitcher in the draft by Baseball America magazine. He was also listed as the sixth best player overall in the draft.

In 1997, the Brewers selected pitcher Kyle Peterson from Stanford University with the 16th pick in the first round. Peterson is expected to be a quick mover in the Brewers system as was shown by his appearance in Triple A in 1998.

## Baseball Operations (Continued)

In 1996, under Califano's guidance, the Brewers selected speedy outfielder Chad Green, a United States Olympic bronze medalist, with the eighth pick overall. Green has been compared to Cleveland's Kenny Lofton and has helped to immediately bolster the Brewers farm system. He has been added to the Brewers 40-man roster for the first time in 1998.

In 1995, Califano and his scouting staff had the ninth overall selection in the annual June Free Agent draft and chose power-hitting outfielder Geoff Jenkins from the University of Southern California. Jenkins was rated as the fastest mover of all top picks in 1995 giving the Brewers a very bright future. He made his Major League debut in 1998 homering in his first game off of San Francisco's Orel Hershiser.

In 1994, Califano had the fourth choice overall in the draft and selected Arizona State third baseman Antone Williamson who will also be a big league star. It was the highest draft choice Milwaukee has had since 1985 when the club selected B.J. Surhoff with the first overall choice. Williamson made his Major League debut in 1997.

In 1993, Califano's first draft received a B grade from **Baseball America** magazine, the highest mark given to a single club. The Brewers also signed their top 10 draft picks from the 1993 draft providing quality talent for the future. Pitcher Jeff D'Amico was one of two first round picks that year and is emerging into one of the top young pitchers in baseball. Other members of that draft to make it the big leagues with the Brewers include pitcher Sean Maloney, infielder Mark Loretta and outfielders Brian Banks and Todd Dunn.

Califano was an area scout with the California Angels from 1978-80 before joining the Brewers. He spent five seasons in professional baseball as a left-handed pitcher with the Baltimore Orioles (1973-75) and the Angels (1976-77).

## BREWERS RADIO INFORMATION

### BOB UECKER

Announcer

This season, Bob Uecker, the illustrious "Voice of the Brewers," will broadcast his 29th year of Major League baseball for his hometown. Uecker returns to do play-by-play on WTMJ-Radio and the Brewers Radio Network.

Affectionately known across the country as "Mr. Baseball," Uecker is in his 20th season as the club's number one announcer. Bob is well-respected in the industry, earning Wisconsin Sportscaster of the Year five times during his career. This past off-season, he was inducted into the Wisconsin Sports Hall of Fame.

A versatile talent, Uecker credits go far beyond guest appearances and play-by-play. In 1985, Bob launched a television acting career as one of the stars of ABC's sitcom "Mr. Belvedere" which put 100 episodes into syndication. He also hosted two syndicated television shows, "Bob Uecker's Wacky World of Sports" and "Bob Uecker's War of the Stars." He was one of the Miller Lite All-Stars in popular commercials for Lite Beer from Miller. Bob was type cast as a radio announcer in the film "Major League" filmed at County Stadium, and stole the show in the sequel, "Major League II".

A 1969 visit with Al Hirt, a renown jazz trumpeter from New Orleans, altered Bob's life. Hirt opened a small night club in Atlanta and asked Bob to come on stage. Don Rickles was the headliner. Uecker displayed a dead-pan stare that challenged and broke up the satirical comic. Hirt was so impressed he arranged an appearance for Bob on the Tonight Show, starring Johnny Carson.

Uecker became one of Carson's favorite guests, making some 100 appearances before the Late Night host retired in 1992.

Uecker became a national celebrity. ABC Network took advantage of Uecker's popularity. He made appearances on the "Superstars" and "The Midnight Special" which opened the door for more elaborate appearances.

The snowball continued to roll for Bob. Because of his experience broadcasting Brewers games both on radio and television, Uecker gained national recognition as a play-by-play announcer for ABC Sports coverage of Monday Night Baseball, the League Championship Series and World Series.

Uecker's accomplishments weren't limited to the electronic medium. A former catcher who spent six seasons in the majors, Bob authored a book entitled "Catcher In the Wry," a humorous look back on the years he spent with the Milwaukee-Atlanta Braves, St. Louis Cardinals and Philadelphia Phillies. One of his career highlights as a player came in 1964, when he was a member of the World Champion St. Louis Cardinals.

With all his national attention and success, Bob never forgot his roots. He lent his services in support of several local organizations, including the United Performing Arts Fund, the Midwest Athletes Against Childhood Cancer Fund, the Milwaukee Symphony, the Boys and Girls Clubs of Greater Milwaukee and Big Brothers/Big Sisters. In addition, he's an advocate for such organizations as cystic fibrosis, heart disease and the Wisconsin Department of Tourism.

For his efforts, Uecker was inducted into the Wisconsin Performing Artists Hall of Fame in 1993. The Hall of Fame was established in 1983 to honor nationally and internationally known performing artists with Wisconsin ties. In 1994, he was elected to the Wisconsin Broadcasters Association Hall of Fame. In January of 1995, he earned the "Big B.A.T." Award from the Baseball Assistance Team at a dinner in New York City for his continuing support of former Major League stars who are in need of support.

## TELEVISION INFORMATION

### **BILL SCHROEDER** Television Announcer

Bill Schroeder returns for his fifth season as the color commentator on Brewers television broadcasts. He is signed through 2000 to describe Brewers action for television audiences throughout Wisconsin.

Very popular with the fans, Schroeder was a natural in his first experience in the television booth in 1994, but he is quite familiar with the business of talking baseball, co-hosting "Baseball Sunday" in 1994 and "Talkin' Brewers" on WTMJ-Radio over the past three winters.

A lifetime .240 hitter, Schroeder spent eight seasons in the big leagues with the Brewers and the California Angels. He enjoyed a career best .332 batting average in 1987. As an intricate member of Team Streak, Bill caught Juan Nieves' no-hitter on April 15, 1987 in the midst of the Brewers Major League record tying 13-0 start. In addition, he clubbed a career-high 14 home runs and had 42 RBI in a back up role that season. Later that season, Schroeder had his finest moment. On June 14, before family and friends at New York's Yankee Stadium, he collected four hits including a game winning two-run homer off ace Dave Righetti.

Involved in the community since beginning his Major League career, he conducts the annual Bill Schroeder Celebrity Golf Classic in the Milwaukee area for the benefit of COA Youth and Family Centers, a Milwaukee charity which helps area children. In 1988, he was named the recipient of the Athletes For Youth Good Guy Award while in 1984, he earned the club's Unsung Hero Award.

Schroeder graduated from West Windsor Plainsboro High School in Princeton, New Jersey, where he earned All-State honors his junior and senior years. He attended Clemson University leading the Tigers to the Atlantic Coast Conference title in 1978 and '79.

Born in Baltimore, Maryland and raised in Princeton, Bill was traded to the California Angels following the 1988 campaign before retiring in 1990. He and his wife, Donna, have two daughters, Lindsey and Mallory and a son, Billy and reside in Hales Corners, Wisconsin.

Broadcasts see never a dull moment with the youthful Vasgersian at the microphone. His enthusiastic and creative home run calls have become staples of highlight reels on all of the major sports networks.

A 31-year old graduate of the University of Southern California, Matt has had extensive experience for his age. He began his play-by-play career in 1991 in Huntington, West Virginia working for the Chicago Cubs Class A affiliate there.

He rapidly has risen through the Minor League ranks with stops at High Desert (Class A, San Diego) in 1992, El Paso (Double A, Milwaukee) in 1993-94, Syracuse (Triple A, Toronto) in 1995 and finally Tucson (Triple A, Houston) in 1996.

He also had the opportunity to do play-by-play for HSE during the Mexican-Texas League All-Star game in 1994 in which Brewers infielder Mark Loretta was the Most Valuable Player.

Matt has been a member of the Screen Actors Guild since his childhood. He appeared in an episode of "The Streets of San Francisco" and the hit movie "The Candidate" starring Robert Redford. He also appeared on "The New Dating Game" as an eligible bachelor while in college at USC.

Outfielder Greg Martinez led the International League with 43 stolen bases. Barker was named Player of the Week for May 25-31.

Mid-season acquisition Rod Henderson led the Redbirds pitchers and finished second in the Brewers organization with a 2.97 ERA. ## HITTING FOR THE CYCLE

Only four Milwaukee Brewers have ever hit for the cycle in a game: Mike Hegan (1976), Charlie Moore (1980), Robin Yount (1988) and Paul Molitor (1991).

Hegan managed to hit a double, homer and a triple off Detroit's Mark "The Bird" Fidrych on September 3, 1976 in Tiger Stadium and completed the task by hitting a single off Bill Laxton. He finished the day with four hits in five at bats including a walk, two runs scored and six RBI.

Moore hit for the cycle on October 1, 1980 at California, singling off Ed Halicki, homering off Chris Knapp, tripling off Dave Schuler and finally doubling off Mark Clear. He went four-for-five in the game with three RBI and two stolen bases, capping off the best single-game performance of his career.

On June 12, 1988 in Chicago, Yount singled and homered off Joel Davis, doubled off Bill Long and tripled off Steve Rosenberg, finishing the game with a walk and a club record-tying four runs scored. Yount became the second player ever to record the feat as a designated hitter joining Kansas City's John Mayberry (1973).

Molitor was the most recent Brewers hitter to register each of the four hits in a single game. He did so off Minnesota's Kevin Tapani at the Metrodome on May 15, 1991. Molitor also accomplished the feat as a designated hitter becoming the third player to do it.

Chairman: Dick Phelps

General Manager: Dan Chapman

Coaches: Randy Kramer (Pitching), Carlos Ponce (Hitting)

Trainer: Jeff Paxson

1998 Record: First Half 34-36/Tied for Fourth Place; Second Half 32-38/Fifth Place

The Ports strong first place finish in the first half of the 1997 season sent them into the post-season. However, their post-season ended quickly as they lost in the first round to Lancaster two games to one. Stockton finished the season at .500 (70-70 overall).

On offense, Chad Green, the Brewers first round draft pick in 1996, was rated the "Fastest Base Runner" in the league by **Baseball America's** Best Tools. Green led the Ports with 37 stolen bases, which ranked second in the Brewers organization. Outfielder Toby Kominek led the Ports in power with 15 HR and 72 RBI. The speedy Ports had four leaders in the Brewers organization for stolen bases with Green in second, Anthony Iapoco in third, Kominek in fourth and Josh Tyler in fifth. Tyler's .310 batting average finished ninth in the California League and ranked seventh in the Brewers organization.

Mick Fieldbinder led Stockton's pitchers at 11-6 with a 2.83 ERA over 21 games. During the playoffs, Fieldbinder left the Ports and joined the Twins organization as the player to be named later in the Darrin Jackson trade. His ERA finished second in the California League, and he was named to **Baseball America's** League All-Star team. Closer Greg Mullins began his season with the Ports, collecting 19 saves in 30 games. With his 1-3 combined record and 32 saves with Stockton and El Paso, Mullins finished eighth in the Rolaids Relief Man National Association standings. Kelly Wunsch ranked seventh in the league with a 3.46 ERA. Bubba Hardwick went 8-6 with a 4.66 ERA.

instant replays, slow motion as well as animation.

- The club tops the major leagues with 203 homers, 774 runs, 2,535 total bases and a .448 slugging percentage, all Brewers records.
- Not since the 1948-49 Boston Red Sox has a team produced three players with 100 or more RBI in two consecutive seasons, but the Brewers did. In 1979 Gorman Thomas (123), Cecil Cooper (106) and Sixto Lezcano (101) became the first Milwaukee trio to go over 100 RBI in a season. And this season, Cooper (122), Ben Oglivie (118) and Thomas (105) put the Brewers in the record books.
- Sal Bando drove in his 1,000th RBI in his hometown of Cleveland on April 29; Cecil Cooper collected his 1,000th hit on July 21st in New York; Reggie Cleveland won his 100th game on July 25 in Baltimore; and probably the most remarkable feat of the year came on August 16, when Robin Yount became one of the youngest players to ever attain 1,000 hits. At the tender age of 24, Yount put his name along side such Hall of Fame notables as Ty Cobb and Al Kaline.

He also picked up third baseman Roy Howell in the Free Agent Draft and later signed pitcher Randy Lerch, making the Brewers the team to beat in the East in 1981.

### — 1981 —

- With Bob "Buck" Rodgers beginning his first full season as the Brewers skipper, the pressure of producing a winner in Milwaukee was on him.
- Rollie Fingers established himself from the outset, earning a save in the season opener against Cleveland before an American League 1981 season high of 71,067 fans at Cleveland Stadium.
- His performance is unmatched as he posts a 6-3 record, 1.04 ERA and a major league high 28 saves in 47 appearances.
- For his efforts, he becomes the first relief pitcher in major league history to win both the Cy Young Award and the Most Valuable Player Award in the same season.
- In addition, Rollie earns his 4th Roloids Relief Man of the Year Award, the Sporting News Fireman of the Year Award and the Joe Cronin Award for distinguished service.

### — 1982 —

- Picked as the favorite to capture the American League Eastern Division, the Brewers matched that prediction on June 2.
- That was when the Brewers rebounded from the second division and became a contender under new Manager Harvey Kuenn. Under the Brewers "only" batting coach, Milwaukee became known as "Harvey's Wallbangers", chalking up a 72-43 mark after June 2 and finishing with the best record in baseball at 95-67.
- In June when the Brewers won 20 of 27 games, the team set an AL record and tied a major league mark by blasting 35 homers in 15 straight games.
- The Sporting News "Player of the Year" Robin Yount led the league in four areas: 210 hits, 367 total bases, .578 slugging percentage and 46 doubles, also earning the AL "Most Valuable Player" honor from the BBWAA.
- Pete Vuckovich was named the Cy Young Award Winner in the AL with an 18-6 record, helped along by two 8-game winning streaks during the course of the campaign.
- With the Brewers sweeping both major awards, coupled with the Rollie Fingers sweep in 1981, Milwaukee became the only AL team ever to sweep both awards two straight years.
- Newcomer Don Sutton, acquired in late August from Houston notched a 4-1 mark, but more impressively, won the season finale in Baltimore which gave the Brewers the Eastern Division Title.
- Defensively, the Brewers led the AL for the second straight year in double plays and Yount earned his first Gold Glove.
- After falling behind 2 games to none in the best of 5 series, the Brewers rallied to become the first team ever to win the League Championship Series after being down 0-2. The 3-2 ALCS victory gave the Brewers the AL pennant and a berth in the 79th World Series against National League Champion St. Louis Cardinals.
- In an exciting series labeled the "Suds Series", the Brewers and Cardinals played the full 7 games with St. Louis earning the title "World Champions."
- But in Milwaukee, the Brewers fans showed their loyalty by turning out in the

- As quickly as the Brewers enjoyed success, their fortunes turned in May, dropping a club record 12 straight games and falling out of first place on May 13.

### THE BREWERS LOGO

On January 15, 1994, the Milwaukee Brewers unveiled their first new logo since the 1978 season. The development of the new logo began in November of 1992 when the Brewers approached Major League Baseball Properties Design Services about creating a "new look" as the Brewers approach the 21st century. The two parties worked diligently through the summer of 1993 and the result is a logo which will be worn with

pride by Brewers players, coaches and fans for years to come. In 1997, the Brewers returned to a classic style of uniforms featuring wider piping and uniform numbers on the front of their jerseys. Also, the Brewers returned to the block "M" on their home and road caps, reminiscent of their caps of the early to mid-70's.

Also in 1997, the Brewers introduced a second logo which can be found on their jacket which features the State of Wisconsin with a large, block "M" and a baseball which represents the Brewers relationship with their fans from all around the State.

## MILWAUKEE BREWERS GOLD CLUB

The Milwaukee Brewers Gold Club is a volunteer sales force comprised of successful, civic-minded business women and men from throughout southern Wisconsin. This group is designed to assist the Milwaukee Brewers Baseball Club with their season ticket and group sales efforts.

In addition to selling tickets, the Gold Club will help in drawing the Milwaukee Brewers and the business community into a closer relationship. Gold Club members will serve as ambassadors for the ball club in promoting the many benefits Major League Baseball brings to Milwaukee and the state of Wisconsin.

The Milwaukee Brewers Gold Club will play a vital role in the long term success and stability of this franchise in Wisconsin. While accomplishing these goals, the Gold Club members will continue to strive in building new relationships within the community and promoting the positive experience of being associated with Major League Baseball.

Headed by the Brewers' Mike Harlan, the Gold Club was created in February of 1992. The group is patterned after other clubs who have had successful private sales forces such as the Royal Lancers in Kansas City (created in 1969), the Designated Hitters in Baltimore (1979) and the Gemini Club in Minnesota (1988).

## MARYVALE BASEBALL PARK

The Brewers return to the beautiful Maryvale Baseball Park for their second Spring Training in 1999. Considered by many to be the jewel of all spring complexes, the Brewers are in the midst of a 15-year lease through 2012 which has helped to revitalize the Maryvale neighborhood.

The facility, opened in 1998, includes 7,000 permanent seats as well as 1,000 lawn seats. The complex features eight fields, including two half fields. The Brewers Minor League players also train at the Maryvale complex across the street from the Major League facility.

John F. Long, a longtime Valley developer, donated 56 acres of land to make this beautiful complex a reality. With Maricopa County, the Maryvale County Stadium District and the city of Phoenix providing resources, Maryvale is the foundation for future neighborhood development. Overseeing the operations of the Maryvale Baseball Park is the Phoenix Parks and Recreation Department.

The primary architect on the ballpark was Ellerbe Beckett of Phoenix, Arizona. Their work at Maryvale garnered several awards in 1998 including the Architecture Accessibility Award from the Mayor's Commission on Disability Issues, the Citation Award from the Arizona Chapter of the American Institute of Architects and the Merit Award from the Western Mountain Region of the American Institute of Architects.

## **NATIONAL LEAGUE CURFEW**

There is no curfew in the National League

## **AMERICAN LEAGUE CURFEW (Interleague play in American League parks only)**

All night games must be called at 1 a.m. local time. However, if an inning is started prior to 1 a.m., it can be completed. Other curfew restrictions are contained in American League Regulation 3.4.

## **BATTING-PITCHING QUALIFICATIONS**

To qualify for the National League batting championship, a player must have 502 or more plate appearances. (This is equivalent to at least 3.1 for each of the 162 scheduled games). Pitchers must work 162 or more innings to qualify for the earned run average title.

## **"BLOWN SAVE" DEFINITION**

When a relief pitcher enters a game in a save situation and departs with the save situation no longer in effect because he has given up the lead, he is charged with a "blown save". If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist, he is not charged with a save opportunity.

## **CONSECUTIVE-GAME HITTING STREAKS**

A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit.

## **CONSECUTIVE-GAME PLAYING STREAKS**

A consecutive-game playing streak shall be extended if the player plays one-half inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

## **DESIGNATED HITTER RULE (Interleague play in American League parks only)**

A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game. The designated hitter is locked into the batting order but may be removed for a pinch-hitter for that game. The designated hitter is locked into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game may be used defensively, but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role.

## **DETERMINING A "MAJOR LEAGUE YEAR"**

172 days constitute a full year in the Major Leagues.

## **EARNED-RUNS RULE**

The determination of an earned-run is as follows:

An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls; and the benefit of the doubt should always be given to the pitcher in determining which bases would have been reached with errorless play.

Until 1969, the reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up that inning. Now, runs scored by batters who reach base off the reliever are charged as earned on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against the individual pitchers of that of the team.

## **FIELDING CHAMPIONSHIP QUALIFICATIONS**

The individual fielding champions shall be the fielders with the highest fielding average at each position, provided:

- (1) A catcher must have participated as a catcher in at least one-half the number of games scheduled for each club in his league that season;
- (2) An infielder or outfielder must have participated at his position in at least two-thirds of the number of games scheduled for each club in his league that season;
- (3) A pitcher must have pitched at least as many innings as the number of games scheduled for each club in his league that season. EXCEPTION: If another pitcher has a fielding average as high or higher, and has handled more total chances in a lesser number of innings, he shall be the fielding champion.

## Baseball Basics (Continued)

### FIGURING BASEBALL STATISTICS

**Batting Average** - divide the total number of safe hits by the total times at bat.

**Slugging Percentage** - divide the total bases of all safe hits by the total times at bat.

**Pitchers Earned Run Average** - multiply the total earned runs by 9, and divide the result by the total number of innings pitched.

**Fielding Percentage** - divide the total putouts and assists by the total putouts, assists and errors.

**Won-Loss Percentage** - divide the number of games won by the total games won and lost.

**On-Base Percentage** - divide hits plus total bases on balls plus hit-by-pitch by at-bats plus total bases on balls plus hit-by-pitcher and sacrifice flies (for purpose of this percentage ignore being awarded first base on interference or obstruction).

### FIGURING MAGIC NUMBERS

To determine a team's Magic Number in the pennant race, compute the number of games remaining, add one, then subtract the number of games ahead in the loss column of the standings of the closest opponent.

### PLAYER LIMITS

40 until opening day, when the number must be reduced to 25 until September 1, when it again becomes 40. The minimum number of active players maintained by each club throughout the championship season shall be 24.

### REGULATION GAME

A regulation game consists of nine innings unless extended because of a tie score or shortened because (1) the home team needs none of its half of the ninth or only part of it; or (2) because the umpire in chief calls the game after five completed innings. A regulation game may be less than five innings if the home team is ahead after the first of the fifth, or takes the lead or ties the score while at bat in the fifth.

### ROOKIE QUALIFICATIONS

A player shall be considered a rookie unless, during a previous season or seasons, he has (a) exceeded 130 at bats or 50 innings pitched in the Major Leagues, or (b) accumulated more than 45 days on the active player roster of a Major League club or clubs during the period of the 24-player limit (excluding time in military service).

### SAVE RULE

Saves shall be awarded to relief pitchers under the following criteria:

Rule (10:20) tells the official scorer to credit a pitcher with a save when he meets all 3 of the following conditions: (1) He is the finishing pitcher in a game won by his club; and (2) He is not the winning pitcher, and (3) He qualifies under one of the following conditions: (a) He enters the game with a lead of no more than 3 runs and pitches for at least 1 inning; or (b) He enters the game with the potential tying run either on base, or at bat, or on deck (that is, the potential tying run is either already on base or is 1 of the first 2 batsmen he faces); or (c) He pitches effectively for at least 3 innings.

### SCORING RULE - PINCH HITTERS

A player shall be considered a pinch hitter only if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. (If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch hitter during that second time up). A substitute hitter for a designated hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a designated hitter only.

### TIE GAME

A regulation game that is called by the umpire in chief when both teams have the same number of runs is a tie game. Individual player performances are official and are entered in the records, but the game does not count in the League standings and may be rescheduled at a later date.

### WILD CARD TEAMS

The team with the best record that has not won its division is eligible for the playoffs as the wild card team. In the National League Division Series, that club will play the division winner with the best record while the other two division winners will face each other in a best of five series with the winners advancing to the National League Championship Series.
